Marion ISD Parents/Guardians:

As you know, the COVID-19 pandemic is an unprecedented event for our state and country. Over the past few days, the situation has been very fluid changing seemingly hour by hour. Based on the continued spread of the COVID-19 virus, we believe it is in the best interest of our students and staff to extend our shut down by an additional two weeks. At this time, Marion ISD plans to reopen our schools and offices on Monday, April 6, 2020.

We will distribute additional information over the next few days. Please know that your students' teachers and administrators have already been working on plans for distance learning opportunities which will begin next week. Please watch for additional School Messenger notices as well as monitoring our webpage and Facebook page for more information. We will do our best to keep you informed.

We appreciate your patience, flexibility, and support as we work to make the best decisions in this rapidly evolving situation.

Sincerely,

A handwritten signature in blue ink that reads 'Kelly Lindholm'.
